

IS413 Unit 6 – Android Boot Camp Chapter 1

- You need to go through Chapter 1 and create the “Hello Android World” App and test it on the emulator.
 - DO THIS IN LAB to make sure everything works- Then try it on your own machine later.
- Also complete the Developers FAQ at the end of the Chapter.
- Complete Case Projects: Dessert Names, Large Tech Companies, and Tech Quotes

Notes:

for Android Dessert Versions- include a list of versions with their API's -start with Éclair and go through today's most recent release -
